Freckle Studio produces quality, affordable creative media and marketing services that connects to your audience. We live to tell your story. *On time. On budget.*

Every business has a story; it is your mission, it is how you connect, reason for being, and it is why clients and customers keep coming back to you.

Elevating your brand is our primary purpose. Making it contemporary, fun and vibrant, well that's just for our creative pleasure.

We believe good storytelling should be clean and straightforward. So we'll go easy on the creative mumbo-jumbo.

We're a growing team of creative thinkers ready to connect!

we plan to show you

the work
the work
the work

because it's all about the work

We appreciate you taking a moment to let us brag about ourselves. We'll try to keep it short. With 30+ portfolio worthy case studies, we'd be happy to understand more about your business and submit a tailored proposal for your consideration.

Coal-fired power plants
now fuel **37%** of
the world's electricity

For more information visit: centennialcoal.com.au

CENTENNIAL

And in 2040 in South-East Asia,
coal will fuel **39%** of
it's electricity needs

For more information visit: centennialcoal.com.au

CENTENNIAL

By 2040, coal is set
to supply **22%** of
the electricity around the globe

For more information visit: centennialcoal.com.au

CENTENNIAL

Coal maintains its position as the
single largest source of electricity
worldwide

For more information visit: centennialcoal.com.au

CENTENNIAL

**We're committed to a
sustainable future**

Abated about 745,000
tonnes of carbon dioxide

20% of AGL's electricity
generated from onsite
solar

Local suppliers for 60%
of goods and services

84% of our total water
use is used mine water

Managed over 750
hectares of land for
biodiversity

At the 2022 HSEC Conference, we launched our new safety video. The theme is Your Safety is My Safety, which perfectly sums up how safety is personal. It's up to all of us to keep safety front of mind, whether underground or aboveground at site, or in the office. [#safety](#) [#video](#) [#mining](#)

FIVE TO STAY ALIVE

Critical Risk Workshop // Pre-workshop eLearning modules

- remind us of the fundamentals of the risk management processes,
- provide an understanding of the Group's current health and safety performance,
- look at the emerging issues in the sectors that we operate,
- give insights from our business leaders on their key concerns,
- and allow you time to reflect on how we best manage these issues in our workplace.
